Description:	Retractable Cable Lockout
Colours:	Red
Size:	110 x 110 x 40mm
Cable diameter:	2mm
Cable Length	1.8m

Colour	Code
Red	LOK217

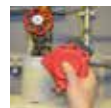

Using a Cable Lockout

Feed the cable through the desired area to be locked out and thread the loop at the end through the catch on the main body of the Cable Lockout and proceed to lockout using a Safety Padlock and Tag.

How To Use

Step 1: Pull out the cable and route it through the equipment to Lockout the device. Feed the cable back to the Cable Lockout and place the loop around the hook.

Step 2: Push the winding button and the cable will automatically retract, pulling it tight.

Step 3: Push in the black grip handle to lock the cable in place. Affix up to 2 padlocks on the unit (more can be fitted using a hasp) and Tagout as appropriate.

Note: To remove, push in the black grip handle to release the cable.
