

Guide to **safety signs & material types**

Mandatory Signs

A blue circle containing a white image denoting that a specific course of action must be taken.

Safe Condition

A green rectangle or square with a symbol or text in white providing information about first aid, escape or other safe conditions.

Prohibition Signs

A red circular band crossed with a diagonal bar on a white background. A black symbol behind this band indicates the prohibited action.

Fire Equipment

A red rectangle or square with a symbol or text in white providing information about the location and use of fire fighting equipment.

Hazard Warning Signs

A yellow triangle with a black border and symbol denoting a hazard in the environment.
